ETHIOPIAN CHIEFS YIELD PERSONALLY TO GENERAL DE BONO

Aksum Decides to Submit
Voluntarily to Italy,
It Is Reported

ENGLAND IN ACTION

British-Made Munitions Are
To Pour Into
Ethiopia

By Floyd Gibbons
I. N. S. Staff Correspondent
(Copyright, 1935, I. N. S.)

ITALIAN FIELD HEADQUARTERS,
ADOWA, Oct. 13.—Six Ethiopian chiefs,
lieutenants of the important
Ethiopian commander, Ras Seymun,
entered Adowa today under white flags
and surrendered themselves per-
sonally to General DiBono, Italian
commander. Coincidentally, it was un-
officially reported that Aksum, Ethio-
pia's historic Holy City, had decided to
submit voluntarily to Italy. Representa-
tive head priests from a number of
Coptic monasteries at Aksum arrived
to renounce allegiance to Emperor
Haile Selassie and swear fealty.

GENEVA, Oct. 14.—A ban on all
financial transactions with Italy and
Italians, the second major step in ap-
plication of sanctions, was voted today
by the League of Nations Committee
of 18, thus making it a practical cer-
tainty, that the League Sanctions Co-
ordinating Committee would order
League members to cut off financial
relations with Italy.

GENEVA, Oct. 14.—The general staff
of the League of Nations machinery
for effecting sanctions against Italy
today approved a seven-point program
of financial sanctions, the second
major step to be inflicted upon the
Italian government for warring against
Ethiopia. Final wording of the text
of the resolutions embodying the pro-
gram was to be polished up and then
transmitted for discussion and adop-
tion by the general co-ordination com-
mittee tonight. Adoption by the larger
committee, which would put the pro-
gram into effect, was virtually assured.

LONDON, England, Oct. 14.—Great
Britain today took the leadership in
two moves to aid Ethiopia in her war
against Italy, the most important be-
ing the opening of industrial flood
gates for British-made munitions to
pour into Ethiopia. The Board of
Trade, it was announced officially,
now is receiving and approving appli-
cations for licenses to export arms to
Ethiopia, thus lifting an embargo
which has been in effect many months.
A similar embargo on exportation of
arms to Italy will remain in effect and
Britain thus will be complying with
the first sanctions against Italy adopted
by the League of Nations last week.
Military and naval experts attached
great importance to the lifting of the
embargo, fearing it may open the way
for a possible halting and searching of
British vessels by Italian ships.

LONDON, Eng., Oct. 14.—Measures
will be taken to force all British sub-
jects to leave Ethiopia unless they de-
part voluntarily, the British Minister
warned today in an Exchange Tele-
graph message from Addis Ababa. The
warning followed another verbal order
for all Britons to depart without delay.

HIGH SCHOOL BUNNIES WIN OVER BRYN ATHYN

Chalk Up Third Consecutive
Victory of the Season
By Superb Playing

FINAL SCORE IS 25 TO 0

By Jack Orr

Flashing a superb aerial attack the
Bristol High School Bunnies marched
through a heavy Maroon and White
aggregation from Bryn Athyn to the
tune of 25-0.

This was the third consecutive vic-
tory for the localities and they put on
a fine exhibition of football as they
counted in every period save in the
first.

After failing to gain through the
heavier Bryn Athyn forward wall the
Cardinal and Gray took to the air and
scored three six-pointers via this
method.

Bristol running plays would work
to perfection up to the visitors' 20
yard line and then the Academy boys
would bolster and hold. The first op-
portunity to score came when Joe
Conti, pile-driving back, on a fake
kick, scampered around end
for 40 yards, bringing the apple to the
12 yard line. On the first play a costly
fumble in the home team backfield
cost them the opportunity to score.

The second timely chance came
when "Dick" Gallenah took away a
poor kick which went straight up in
the air. It was captured by Carnvale
on the Bryn Athyn 18 yard marker.
But once more the Bryn Athyn line
held in the shadow of the goal posts.
Gallenah then kicked out of danger
to the 50.

shall yet prevail against the forces of
evil.

The unions that had exhibited the
"Little Salesman" in his recent travels
through the County told of the interest
shown in his statements, as to the dan-
gers and deceptions of alcohol.

Plans were discussed for raising the
quotas for the Frances Willard Cen-
tenary Fund, of which Pennsylvania's
share is \$60,000.

Union, who had represented Mrs. Har-
per at the recent State Convention in

vivid picture of the beautiful memorial
service at the Ocean Grove Conference
in July, for the recently promoted New
Jersey State President, Mrs. Nina G.
Frantz.

The tribute of pure white flowers,
silently placed in a large basket of
green ferns and foliage—first a group
of L. T. L. children brought sweet
williams, then Y. P. B.'s with gladioli,
and last, women with lilies, followed
with a touching prayer by Mrs. Col-
vin, New York State President, a close
friend and comrade in the work.

A member of the group who had
attended the National Convention at
Atlantic City, told of outstanding fea-
tures.

The birthday of Frances Willard,
September 28th, was observed in the
schools with appropriate exercises.
Miss Jane Rogers, of Bristol, reported
a new L. T. L. of 40 members in Wash-
ington street school.

Miss Marian Longshore, interna-
tional relations director, sees in the face
of distressing conditions in the attack
on Ethiopia, encouragement and grati-
fication in the almost universal strong
desire and efforts for peace manifested
by leaders of other nations, and urged
the securing of signers to the mandate
for peace sponsored by the Women's
International League for Peace, whose
aim is "50,000,000 signatures by Spring
1936" from this and other countries.

The resolution committee submitted
the following, which was adopted by
the group:

1.—We recommend to the Unions
that they continue to promote alcohol
education in every possible way
through the home, church, school and
by personal contacts.

2.—That we protest against liquor
advertising and urge support of the
Cooper Bill to prevent such advertis-
ing.

3.—That we support the efforts of
the Women's International League to
secure 50,000,000 signatures for a man-
date to exert combined pressure for
immediate co-operation for peace.

4.—That we express our gratitude to
Mrs. Lettie Eyre and Mrs. Lavinia
Hartley for their gracious hospitality.

Grove, Wrightstown Union being hos-
tess.

THE CITY WPA MEN GO TO THE COUNTRY

(Evening Public Ledger, Oct. 12, 1935)

It was the longest passenger train seen in that part
of the Neshaminy Valley for years. * * * Nine coaches crowded
with men. * * * At 3 o'clock in the afternoon it was rolling
back to Philadelphia. * * * In the fields around Grenoble,
Traymore, Ivyland and Hatboro, plowmen and potato-diggers,
wheat-drillers and tractor-drivers stopped, looked and mar-
veled.

Perched in the warm October sunlight, on his ladder in
the top of a York Imperial, Charlie, the Apple-Picker, bit into
a red-cheeked York and shouted across the orchard:

"That's right. * * * They went up about nine this
morning. * * * Now they're goin' home at three o'clock.
* * * We had half-a-mornin's work done when they
went up. There they go rollin' home in the middle of the
afternoon. * * * Sure, they get paid from the time they
get on the train till they get back to town. * * * The
gang from around here that work with 'em are sore as
a mashed thumb. * * * They're workin' while the town
gang is just ridin' around.

"Workin' Nobody's workin'. * * * Mostly they just
do a lot of heavy settin' down. * * * Just a bunch of
George Earle's boon-doggers out for a day in the coun-
try. * * * Just wastin' time and makin' trouble. * * *
Got a lot of folks scared in the neighborhood.
* * * Or maybe they're Roosevelt's boon-doggers. * * *
Plenty of talk up around Jamison and Furlong and
Richboro.

Plenty of talk, too, out in Chester County, around An-
selma and along the Conestoga Road. More talk in Lower
Montgomery where Philadelphia's WPA roadbuilders are
spreading over the countryside.

Three or four days of so-called "work" by these contin-
gents and Chester County farmers loaded their shotguns and
mounted guard over their orchards, potato fields and hen-
houses. Pear and apple trees had been raided and milk-
houses were looted.

A country store was robbed. Here and there farm prop-
erty was damaged, a pond-dam wrecked or a fence over-
thrown. Only a few of these men got into trouble. Most of
them were decent respectable men, good citizens without
jobs and willing enough to work.

There was nobody to direct them, so why bother so long
as the sun was warm and the day was short. Under the cir-
cumstances, and all, why not try to be in the "last load out"
from town and in the "first load back" to town? After all,
these men had gone where they were told to go and were doing
what they were told to do.

The Chester County Commissioners, naturally, are wor-

BRISTOL RIDING CLUB WINS COVETED TROPHY

Gets Permanent Possession of
Delaware Valley Horse
Show Ass'n's Prize

WHITE BOOTS A WINNER

(Horse Show Summaries on Page 2)

Ideal weather, a great program and
a large crowd combined to make the
fourth annual fall horse show con-
ducted under the auspices of the Bristol
Riding Club their greatest success,
yesterday and Saturday afternoon on
the Laing Estate, Newport Road.

Bristol captured the coveted Dela-
ware Valley Horse Show Association's
beautiful cup permanently, by placing
second in Class 32 for teams of three
jumpers over the outside course.

"White Boots," bay mare owned by
Mrs. E. J. Laing, of Bristol, was the
big local winner, capturing four blue
ribbons, one second, and five thirds, in
the jumping events.

In the large working hunter class,
"Over There," owned by Mrs. Florence
P. Hanford, Radcliffe street, won the
beautiful trophy. This is the third con-
secutive show that this horse has won
this event.

"Dancing Clown," another local
horse, owned by William R. Wright,
won the green hunter class and "Tim"
owned by Dr. E. J. Laing, won the
scurry class, time counting. The Bristol
horse, with young Carl Schilling
up, had the fastest time shown here in
any show.

"Kildare," a beautiful grey gelding,
from the Capt. C. B. Kellough stables
at Princeton, was another heavy win-
ner in the hunter and jumper classes.
This horse won four firsts, three sec-
ond prizes and one third place.

The thrilling steeplechase race over
the mile and half course, through bush
and over brook was won by "Buck and
Wing" owned by E. Roberts, of Exton,
Pa., defeating "Clay Pigeon" of the
White Heather Farms, Media, in a
close finish by a length. "What-o-
Way," another White Heather entry,
was third, with the other two entries
not finishing.

In the saddle and five-gaited classes
"Dark Hazard," a beautiful big, black
gelding owned by Helen C. Cullin,
Elkins Park, won a first prize as did
her other gelding, "Sun Eclipse."

"Sporty Peavine," Robert L. Ross, of
Philadelphia, entry, was another sad-
dle horse to carry away first honors in
the saddle class.

Little Jane Smith, the eleven year
old Newtown miss, captured the first
prize in the pony class and also won
first for horsemanship for children. In
the farm teams, pair of horses or
mules, James White, of the Hulmeville

Hunt Fugitive Who

Killed Sister; Shot Trooper

Williamsport, Oct. 14.—(INS)—A
network of state and local police
combed this section today for David
Shaffer, 28, a former convict, wanted
for shooting his way out of a police
trap by killing his sister and shooting
a state trooper in Shamokin.

The search turned to this section
when a bullet-marked, blood-stained
automobile was found on the highway
near Jersey Shore, 10 miles from here.
Authorities, interpreting the blood
stains as an indication the hunted
man was wounded, expressed the be-
lief the convict-killer would be cap-
tured shortly.

Shaffer's bullet-veiled escape from
the trap at Shamokin came when his
sister, Bertha (Betty) Shaffer, 20, ran
from the side of Corporal William
Bloom to warn her brother not to stop.

Bloom, who had been talking to the
girl in the hope of attracting Shaffer,
reached for his gun and went down
with three bullets in his body. Another
bullet struck Betty in the neck and
coursed through her head, killing her
instantly.

Shaffer was wanted for questioning
in a Shickshinny roadhouse hold-up in
which more than a score of customers
were lined up against the bar and
stripped of their valuables and cash.
Another suspect in the hold-up, Fran-
cis Ryan, was captured at Shenandoah
last week but escaped from authorities
while handcuffed.

Shamokin, Pa., Oct. 14.—An un-
successful State Police trap to ensnare
David Shaffer, 28, former convict
wanted for questioning in a Shickshin-
ny roadhouse hold-up, today had
brought death to the "decoy"—the
hunted man's sister—and possibly fatal
injuries to State Police Corporal
William Bloom.

Shaffer escaped amid a fusillade of
bullets from the trap, warned not to
stop by his sister, Bertha, who herself
fell dead with a bullet in the head.
Corporal Bloom went down with three
bullet wounds, one of them paralyzing
him from the waist down. His condi-
tion was critical.

With Trooper L. L. Lucas, Bloom
went to the home of William A. Con-
way yesterday where Roberta Tres-
singer, 22, Shaffer's reputed fiancée,
works as a domestic. They had been
informed Shaffer intended to meet
Miss Tressinger.

Arriving a short time before Shaffer,
Bloom, in plain clothes stood talking
to Miss Tressinger and Shaffer's sister,
as Shaffer approached in an auto-
mobile, Bertha ran forward and
warned him not to stop. A hail of bul-
lets answered as Shaffer sped away.

Lucas, in uniform, gave chase but
his fear of wounding bystanders pre-
vented him from firing more than a
few shots, he reported.

FILE AUTO SUITS AND THREE LIBELS FOR DIVORCES

Woman Claims Damages
Amounting to \$5,000 As
Result of Auto Accident

DIVORCE ACTIONS

Two of the Libellants Charge
Desertion and the Other
Cruelty

DOYLESTOWN, Oct. 14.—A damage
suit growing out of an automobile
accident and three libels in divorce
have been filed in the Court of Com-
mon Pleas, here, within the past few
days.

Claiming damages amounting to
\$5000, Anna Weltz, of Richland, has
named Julius G. Hatman, Park Manor,
of Elkins, defendant in an action in
trepass filed in the Prothonotary's
office.

In the statement of claim, the
plaintiff alleges that on April 10, she
was a passenger of Aniceto Triboletti,
in his car on the Sellersville-Quaker-
town highway, near Brush Meadow,
when it collided with a car driven by
the defendant.

The defendant, the plaintiff avers,
endeavored to pass the motor vehicle
in which she was a passenger, going
in the same direction, striking it in
the rear and causing it to upset.

Of the three divorce libels filed, two
of the libellants charge desertion and
the other cruelty.

Charging her husband with cruel
and barbarous treatment, Dora A.
Tatum has filed a libel in divorce
against John W. Tatum.

She recites that they were married
December 23, 1923, at Trenton, N. J.
The libellant resides on Lafayette ave-
nue, Morrisville, and the respondent
lives at Brookdale Farm, Falls town-
ship. The alleged cruelty is supposed
to have begun in 1929 and lasted until
January 12, when she withdrew from
the respondent's home.

Michael N. Freeh in a libel in di-
vorce, charges his wife, Mary A.
Freeh, with desertion.

According to the libellant, they
were married July 26, 1903, in Jersey
City. The libellant resides at Kint-
nersville and the respondent at Port
Monmouth, N. J. The alleged desertion
took place in 1918.

Mrs. Anna Johnson Kingham, of
Ottaville, has filed a libel in divorce
charging her husband, Ernest A.
Kingham, with desertion July 4, 1933.

Mrs. Kingham avers they were mar-
ried April 11, 1911, at Fareham, Hants,
England, and following their marriage
traveled and lived abroad for a num-
ber of years.

The respondent is now living at
Gilmantown, New Hampshire.

SCHOOL CHILDREN SHOULD BE SERVED A WARM BREAKFAST

By Rhadena A. Armstrong
(Home Economics Representative)

Vacation days are over, October and school are always associated. This is the time of year to think about the breakfast served to the school child.

Every child has a right to a warm breakfast and enough time in which to eat it.

Plan a definite rising hour for the children, and allow time for proper dressing and proper eating. Usually a half hour for each is sufficient. Also see that the child does not feel hurried and has enough time to walk or ride to school. Many a good breakfast is undigested because the child fears he will be late for school.

"Scanty breakfasts and no breakfast at all" one authority gives as the underlying cause of much of the malnutrition that occurs in school children. Nervousness, irritability, bad temper, and lack of attention in school are often due to a bad or small breakfast.

Mothers often feel a mid-morning lunch will take the place of a good breakfast. This is not the case and such a lunch should be regarded merely as a supplementary meal and never should take the place of a good nourishing meal in the morning.

Have every child start the day with at least one glass of water. A breakfast consisting of a cooked cereal (preferably whole grain) with milk and sugar, whole grain toast or bread, milk or cocoa made with milk, and some kind of fruit (fresh or cooked) is suggested. If the food budget permits, include a cooked egg three times a week.

THE CITY WPA MEN GO TO THE COUNTRY

Continued from Page One

ried about the situation. Chester Countians are demanding that something be done. But what can the Commissioners do, since all this is based upon the Magnificent Plans of the Great White Father in Washington and his Relief Tycoon, Edward N. Jones, the State WPA Administrator?

Well, they can and have given the countryside some police protection and may be able to go somewhat farther, but WPA Tycoon Jones is a stubborn man and seems to have his "orders" from somewhere. Incidentally, certain direct and blasting charges of "political relief" are being openly made in Chester and Montgomery Counties. The Norristown "Times-Herald" says resentment is sweeping Montgomery and—

It seems incredible that the county must become a suffering host to jobless Philadelphians while many of its own citizens, whose needs are just as acute, remain like paupers on the direct relief rolls. * * * There is only one explanation for it. * * *

Beneath the guise of a pious mein lurks the sinister false-face of politics and the Democrats evidently intend to play it up to the hilt. Philadelphians are being sent out into Montgomery and other counties adjacent to the city for the primary purpose of manufacturing votes to elect John B. (Contractor) Kelly the next Mayor of Philadelphia. * * * Democrats know the unemployed in Philadelphia look to the Democrats who control Federal purse strings for jobs. * * * There was only one course to take and Democrats are taking it. They must find jobs for these unemployed at all costs. * * * What better selection could be made than the State Highway Department, which is under the complete domination of the Earle Administration?

Meanwhile, there are predictions that the already widespread indignation "will grow greater in the next few days."

Long weeks ago we told the WPA Administrator just about what he could expect if he undertook this particularly weird sort of "boon-doggling." There was certain to be trouble. It came even a little more swiftly than was foreseen. Nevertheless, the WPA Tycoons are, apparently, going ahead with their "special trains" and railway fares, their truckloads of workers, and their pay for "riding time," regardless of the growing hostility and uneasiness in the countryside. And no wonder that the hard-working country folk look on the whole business as a "Boon-Dogglers' Paradise" and blame the men instead of the WPA officials.

ST. ANN'S AND ST. CECILIA PLAY SCORELESS GAME

By Thomas Juno

A strong comeback by the St. Cecilia C. C. football team in the second half of their tilt with the St. Ann's A. A. gave it a scoreless deadlock yesterday afternoon on the Saints' gridiron.

The first half of the fray saw the Purple and Gold eleven tear the visiting team's line to shreds by its diversified line attack. Nine first downs were registered by the Bristol boys in this half and twice the Green's goal line was threatened. In the waning seconds, "Pete" Borrice tossed an aerial to Pico over the line of scrimmage and the St. Ann's quarterback caught it and was forced out of bounds on the five yard line as the half ended.

It was the consistent line crashing of Austin Bono and Nick Gallone which made most of the first downs possible for the localities. The two burly backfield men of the Purple and Gold were down the St. Cecilia line and were averaging five to seven yards on a thrust. Lack of interference prevented Borrice and Pico from gaining on sweeping end runs although the pair did manage to complete a few passes.

The second half saw an entire change of complexion. Instead of being pushed around the field, the St. Cecilia team was the aggressor. With Eck and Oberlies bearing the brunt of the attack, the invaders ripped off three consecutive first downs after a fine run-back of the kick-off by Eck. After carrying the ball to the Saints' fifteen yard line, the attack was halted and after failing on three tries through the line, Burke tried a place-kick which was wide and low of its mark.

HULMEVILLE A. A. WINS LOWER BUCKS CROWN

The Hulmeville A. A. baseball team added more laurels to its wreath, Saturday afternoon, beating the Edgely Braves in the third game of the play-off series to capture the championship of the Lower Bucks County League for the second straight season and third since the league organized. The Hulmeville team also won the crown of the Delaware River League.

Wilson Holland did the trick of turning down the Braves. He pitched superbly and allowed the Edgelyites but four hits which were well scattered. An error by Ike Watson with Benny Paul on base as the result of a bingle gave the losers their only tally.

Ten hits sang out from the willows of the winners. "Dutch" Afterbach was the leader getting a double, two singles, and a pass, in five times up. Bilger, Watson, and Holland were credited with two bingles each.

INDOOR BOXING BOUTS BOOKED HERE TONIGHT

Judging from the number of requests for reserved seats, the Italian Mutual Aid Hall is expected to be filled to capacity tonight as the first indoor boxing show to be held in this borough is scheduled. Ten bouts will provide an interesting evening for the lovers of the leather-pushing sport.

Six hundred reserved seats were put on sale by the committee in charge while there also will be a limited number of general admission sales. The general admission seats are located in the balcony and a few on the stage, while the entire bottom floor consists of reserved seats. The seats are arranged so that the ring can be viewed without difficulty.

Match-Maker Mickey Giordano is working earnestly to match five Bristolians with members of the boxing teams of Philadelphia. The localities, who most likely will be on the card, are: Donato Sclarra, Harry Davis, Vince Delia, Anthony Cascardo and Tony Puccio. Match-Maker Giordano may have trouble in securing opponents for the Bristolians because four of them are in the class from 112 to 126 pounds, and this class of fighters are all entered in tournaments in Philadelphia.

A match of great interest to the resident fans will be that of Harry Graber, sensational East-Sider, and Thomas Brown of the Shackamaxon Club. Brown made his debut in the last out door fight by putting up a whale of a contest with George Bohnerberker. Graber has won the hearts of the Bristol fans with his fighting style and willingness to put up a thrilling battle.

Bob Hinchcliffe, Kensington, has been rematched to fight Jimmy Maxwell, colored boy from the East Side Club. Hinchcliffe won the last fight by his continual uppercuts to the bread-basket of the colored boy.

Harry Davis, undefeated colored Bristolian, has been matched with Robert Black, of the West Side team. Davis will be after his fourth straight win. Richard Donahue is expected to have his suspension lifted by meeting the Middle Atlantic champion of the 147-pound class, Eli Wesley.

The first bout will start at 8.30 o'clock. Tickets will go on sale at seven o'clock. A large crowd means that amateur boxing will continue for the remainder of the winter months, so the public is urged to attend.

The installation team was dressed in real Indian costumes. After the meeting, supper was served by Margaret Roberts and her social committee.

RECREATION ELEVEN DEFEATS CHESTNUT HILL

Scoring six points in the second period and fighting gallantly to hold their lead for the remainder of the game, the Bristol Recreation eleven scored its second victory of the season on Leddon's Field, yesterday by defeating a strong Chestnut Hill team, 6-0.

Starting when "Petie" Court intercepted a pass on the midfield stripe, the "Rees" started their touchdown drive. On a lateral to Joe Roe, the homesters picked up eight yards. George Dougherty made it first down on the 28-yard line. Then "Joey" Roe faded back and tossed a 20-yard pass to George Dougherty who scampered over from the eight. Roe's attempt at the conversion lay dropkick was wild.

The Bristol eleven then fought to protect that precious six point lead. Chestnut Hill proceeded to throw passes the rest of the afternoon which accomplished them nothing.

The Hillers threw a scare into the localities in the third period when they completed three forwards in a row to bring the ball to the Bristol 26 yard marker. But the Recreation forward wall bolstered and retrieved the ball.

Bristol gained ten first downs to the visiting aggregation's seven while out-gaining them 119 to 75. The former club completed three passes out of fifteen and they were good for 43 yards. The Hillers also completed four tosses which were good for 45 yards. They attempted eleven.

"Hutch" Hutchison and George Dougherty were the main cogs in the Rec offense while "Joe" Roe, Joe Dougherty and Pete Court were the main members of the defensive squad.

It was a free penalizing contest, Bristol being the offenders seven times costing them 45 yards while the visitors were being charged with fouling eleven times at the cost of 60 yards.

High School Bunnies Win Over Bryn Athyn

Continued from Page One

After another exchange of kicks the Bristol lads accepted their third opportunity to score. After Jupea Zefferi brought it to the 30, Punkie Zefferi faded back and tossed a 30 yard pass to "Johnnie" Messinelli who grabbed it and stepped over the goal line. A bad pass from center spoiled "Joe" Conti's attempt at conversion.

Three minutes later the half ended. Score: B. H. S., 6; B. A. A., 0.

Two minutes after the second half started Bristol counted again. "Dom" Sagolla, Cardinal and Gray quarter back, intercepted a Bryn Athyn forward on the opposition's 24 yard marker. After three plays, Punkie Zefferi again threw a pass, this time to "Phil" Carnvale, who caught it one foot in the end zone.

At the beginning of the final period, "Phil" Carnvale intercepted a Willey pass meant for Heilman. On the next play, "Ray" Phillips duplicated his feat of last week as he galloped 42 yards for a touchdown. Conti place-kicked the extra point.

One minute later another six points were placed on the scoreboard for the homesters. Sagolla intercepted another of the B. A. A. fruitless passes on the 40. On the second play after this a long toss from Zefferi to Carnvale was good for 20 yards and as Phil was to be tackled he lateraled to Captain "Dom" Sagolla, who counted his first touchdown since the Pemberton game of last year.

For the remainder of the game Bryn Athyn threw long, fruitless passes. One of these was again intercepted by Sagolla on the 40. Then Punkie tossed one to Carnvale who ran ten yards before he was nailed on the five yard line as the final whistle sounded.

Much credit must be given to Captain and signal-barker Sagolla, who played the finest game of his career at quarter. He mixed his plays well and was the main cog in the Bristol pass defense. Dom also scored one of the four touchdowns. Usually a blocking back, and a fine one, he is out of the limelight but today he came through.

Give plenty of the praise for the triumph to "Punk" Zefferi for his long, accurate passes. He threw them hard and to the exact spot.

The wingmen of the Cardinal and

Gray also were outstanding, both on offense and defense. "Johnnie" Messinelli and Phil Carnvale showed great stuff.

Blizz Wollard, Sophomore back, and Harry Bauroth, hard-blocking Junior, deserve a word, too. The former for his open field running and Bauroth for fine blocking as well as ball running. Tom Proffy again was outstanding on defense.

Both clubs had four first downs to their credit, although the Cardinal and Gray had 11 yards gained from scrimmage while the visiting team had 38. Bristol attempted eight passes, completing six of them, three for scores. These tosses were good for 85 yards. Bryn Athyn completed four out of seventeen but those four were chalked up for 71 yards.

Today the Jayvee eleven of Cheltenham will visit the local field in sort of a preview of the game next Friday. Then Bristol High will travel to Cheltenham to combat the Panthers of "Dutch" Lehman. Kickoff today at 3.45.

MANY SPILLS THRILL AUTO RACE SPECTATORS

LANGHORNE, Pa., Oct. 14—(INS)—Heavy-footed Kelly Pettillo, winner of the 1935 Indianapolis 500-mile brick-track classic, today had added another thrilling automobile race victory to his string of conquests.

Defying death at every turn on the one-mile dirt oval here, Pettillo rode out the 100-mile two-man car race in the world record time of 65 minutes, 17 3-5 seconds. The Californian's time was four minutes under Frank Farmer's time for the full distance on the same track.

Billy Winn, a formidable campaigner from Detroit who had the lowest qualifying time among the 14 starters, paced Pettillo until the 24th lap, where the latter went into the lead, a position he held until the end. Winn captured second place well behind Pettillo although also under the best previous time for the century. Third place went to Floyd Roberts, another California driver.

Eighteen thousand fans saw the face which produced five accidents, none of which resulted in serious injury to drivers.

Fred Winnai, 29, 4721 A street, Philadelphia, was one of the drivers who

skidded in front of the grandstand. He rammed the fence. Winnai and his mechanic, John Pawlowicz, 22, Morrisville, were both injured. Winnai has a badly cut lip, lost one tooth, and has injuries of the upper jaw and both lower legs.
